

Ace the waves!

The “R” of EXR stands for the racing inspiration and true Yamaha DNA that is at the heart of this dynamic model. The first-time adrenaline seekers are guaranteed the easy agility and user-friendly handling that will get them to quickly ace the waves!

Our WaveRunners are built with our signature quality, technological innovation and passion to excite. From the revolutionary RiDE system and lightweight NanoXcel2® hulls – to our exclusive electronic control systems – to the top of the range supercharged 4-stroke 1812cc engine in our most powerful model – your smile is what we work for.

Advanced design and sheer build quality add even more to the package, so the result is a guarantee of excellent performance and thrill.

- Speedo and Tacho + Fuel level and Hours Run
- Glove Box, plus in-bow and under-seat storage
- Large 50L fuel capacity - so the fun lasts longer
- Convenient and comfortable re-boarding handle
- Revolutionary RiDE™ system - intuitive control
- Powerful Yamaha TR-1 HO engine - 3-cyl 1049cc
- Clear and informative multi-functional LED screen
- Stylish colours and attractive modern graphics
- Light yet ultra-strong NanoXcel® hull and deck

**10% more power - 1049cc TR-1 HO engine**

All EX Series models are powered by our innovative 3-cylinder engine, the remarkable 1049cc Yamaha TR-1, but the EXR features the latest HO (High Output) version of this compact, lightweight unit, delivering 10% more power! Result? Awesome acceleration and great top-end speed, combined with Yamaha's legendary economy and reliability.

**NanoXcel2 lightweight hull and deck material**

For the super-sporty EXR, we've been careful to retain the great mix of user-friendly handling and balance so appreciated in the other EX models, but re-engineered the hull and deck in our very latest material - the unique lightweight, yet tough NanoXcel2. Which makes our EXR even faster, even more agile - and even more fun!

**RiDE system (Reverse with Intuitive Deceleration Electronics)**

The revolutionary RiDE® system transforms control, bringing confidence to riders at every level. Simply pull the lever on the right hand-grip to move forward and accelerate - pull the lever on the left grip to slow down or reverse. Yes, and with the bonus of Reverse Traction Control it really is that simple!

**Comfortable seating, for up to 3 people**

The ergonomically designed, 2-colour, precision-sewn seat of the EXR, is comfortable and perfect for riding solo, or with up to 2 friends. Its high comfort level will make you feel it's been custom-made for you. What's more, there's a very handy dry storage area underneath it.

**Pump Extension**

The all new EXR comes with a pump extension for even quicker response times for an even sportier ride.

**Stylish, multi-function LCD instruments**

Great-looking multi-function LCD instruments mounted in a stylish cockpit panel are not something you might expect on such a keenly priced, affordable watercraft - but yes, you'll find them on the EXR. They offer clear, easy-to-read Speedometer and Tachometer displays, as well as informative readouts for Fuel Level and Hours Run.

Engine

Engine type	4-stroke;4-valves;3-Cylinder;DOHC;TR-1 High Output
Displacement	1,049 cc
Bore x stroke	82.0 mm x 66.2 mm

Fuel	Unleaded Regular Gasoline
Fuel supply system	Electronic Fuel Injection
Fuel capacity	50 litres
Oil capacity	3.5 litres

Dimensions

Length	3.14 m
Width	1.13 m
Height	1.15 m
Dry weight	245 kg

Features

Storage Capacity	29 litres
Rider capacity	1-3 persons

All information in this brochure is given for general guidance only and is subject to change without prior notice. We should all exercise **POWER WITH RESPONSIBILITY** and help preserve the great sporting opportunities and enjoyment we all derive from our involvement with personal watercraft. You must recognise too, that your Yamaha WaveRunner is actually a boat, so please learn and follow all the rules of the sea and waterways, take professional instruction where possible, and obey local rules and regulations, which may differ greatly from area to area. The photographs featured show boats being driven by professionals and no recommendation or guidance in respect of safe operation or style of use is intended or implied by the publication of any of these images. Read all instruction materials carefully before setting out and **ALWAYS** wear recommended protective clothing and a life preserver or lifejacket when boating. **NEVER DRINK AND RIDE.**
